EXPERIENCE

Hidden away in the heart of London lies The Honourable Society of Gray's Inn. A maze of quiet squares in five acres of beautiful gardens, the Inn is a private and tranquil retreat.

Offering a prestigious and exclusive wedding venue, we pride ourselves in providing a complete and professional service, individually tailored to make your wedding day truly memorable.

The oak-panelled Elizabethan Hall and the elegant surroundings of our Large Pension Room offer unique settings for your wedding – from the ceremony itself to the drinks reception, wedding breakfast and evening entertainment.

The Walks, our private gardens, are available for the drinks reception and your wedding photographs. We also have a summer marquee for hire from mid June to the end of July.
